## Sobre Borinquen y Boricuas

(PUERTO RICAN BOOKS AND AUDIO-VISUAL MATERIALS)

PUERTO RICO DISCOVERY DAY ISSUE

This issue has been compiled in collaboration with Mr. Amilkar Vélez-López, Acting Administrator, Newark Bilingual Education Program.

Fortunately there is an ever increasing body of information available about, by and for Puerto Ricans and the island of Puerto Rico. Listed below are books and materials on these subjects. Some of the information is available through the Board of Education Library, the Newark Public Library and the A-V Center at State Street. Because these materials cover a wide range of subjects, the books have been divided into two basic groups, those written in Spanish and those written in English.

The code for the reading levels of the materials follows:

P - Primary

S - Senior High School

I - Intermediate

C - College

J - Junior High School

A - Adult
